The Centreville Roller Mills Beg to Announce That They are Rigidly Adhering to the Rules Governing the Manufacture of Flour as Laid Down by the National Food Ad-

> The announcement that we are complying with the Federal Regulations also makes it necessary for us to advise the public that we are no longer able to manufacture

Golden Crown has always been an especially fine patent flour and, therefore, can no longer be made because it requires too much wheat to get the tender, delicate morsels of the grain that have invariably been used in its composition.

In fact, the new regulations make it impossible to manufacture more than one grade of flour, as all mills must contorm to the one Federal recipe of manufacture.

Therefore. The Centreville Roller Mills today announce the NEW LIBERTY FLOUR. It is-

### STANDARD FLOUR

Thousands of families have, for years, used our Standard Flour. They know it to be a particularly good and pleasing flour. Under the new regulations we beg to assure the public that it will be better than ever before. Better, because it will contain all the elements which made it good in the past, and many of the elements of Golden Crown, which can no longer be made.

In the New Standard Flour we trust the public will find supreme and lasting satisfaction, and we pledge our best efforts to make it always clean, wholesome and satisfying.

STANDARD FLOUR IS REALLY THE NEW LIBERTY FLOUR

NEW YORK LIFE INSURANCE CO., NEW YORK, N. Y.

Gentlemen

I have received through your representative, W. H. Gibson, checks in payment of my policies just matured in your company. I desire to say the settlement ise a . nently satisfactory, and am thankful I was influenced to take this insurance, as my estate has been protected and I have saved money, which I, doubtless, would otherwise not have done. I regard Life Insurance of more importance today than ever before in the history of your Company, and I particularly recommend the New York
